

**11th Baltic Conference on Food Science and Technology**  
**“Food science and technology in a changing world”**  
**FOODBALT 2017**

We are proud and honoured that 11 th Baltic Conference on Food Science and Technology “Food science and technology in a changing world” FoodBalt 2017 is again organized in Latvia. Under the Conference theme participants are welcome to explore how food science will contribute to feeding a growing world population, providing sustainable food production, as well as promoting the dissemination of new knowledge and innovations.

The conference is a unique event bringing together leading food scientists and new researchers, as well as doctoral students from European countries to advance food science globally. The conference isn’t about research only. It will also provide many opportunities to meet friends and to make new ones. And it gives you excellent chances to discover the Latvia and to enjoy the city of Jelgava!

On behalf of the Faculty of Food Technology Latvia University of Agriculture I invite you to participate in this remarkable event and I am looking forward to meeting you!
